
*****URBAN TREE POLICY*****

1. A formal application is to be made to Council in writing requesting removal of the tree/trees.
2. The application must specify what tree/trees will be sown to replace those removed and Council must be called to inspect the replacement/s.
3. Trees identified in a register as landmark species or those with a special heritage significance should not be removed unless special circumstances prevail and shall be the subject of a decision of Council.
4. Residents will be invited to submit nominations for trees that they regard as landmark species or those having a special cultural or heritage significance to the community.
5. Council's policy be advertised for a period of 30 days to determine public acceptance (or otherwise) and that if no objections are received, then the policy will be adopted.
